Program Terms & Conditions: Coverage applies per enrolled farming operation and is subject to reasonable-use guidelines. Support plans exclude equipment installations, upgrades, repairs, and issues requiring Service Department involvement. **Service Rates:** Non-enrolled customers are billed $185/hour plus mileage. Plan members receive mileage-free Precision Ag services at $185/hour for work outside plan coverage. Premier members receive an additional 10% discount on Precision Ag service labor only. Discounts do not apply to parts, equipment, or subscriptions. Additional charges may apply. **Operations Center Support:** Basic support includes questions and general guidance only. Advanced support allows our Precision Ag Team to make requested changes and manage information within the customer's Operations Center account. **Extended Support:** Phone support only during designated seasonal hours, subject to staff availability. After-hours service requests will be directed to the on-call Service Department technician, with additional service fees applying.
